SECSTATE PASS TO EGAT/ESP/GCC DUANE MULLER

E.O. 12958: N/A
TAGS: [ASEC](#) [EAID](#) [OTRA](#) [AC](#) [XL](#)
SUBJECT: COUNTRY CLEARANCE GRANTED FOR MULLER TO
TRAVEL TO ANTIGUA

REF: SECSTATE 144123

¶1. Embassy Bridgetown grants country clearance to Duane Muller, Senior Program Specialist, EGAT/ESP/GCC, to travel to Antigua and Barbuda O/A November 5-7, 2007 to participate in a UNFCCC Expert Workshop on Monitoring and Evaluating Capacity-Building in Developing Countries on behalf of the USG.

¶2. Understand Embassy assistance is not required and hotel reservations are confirmed at the Heritage Hotel (246-462-1247) in Antigua. If you have any questions, please contact James L. Goggin at Tel:(246)227-4118 or Fax:(246) 228-8589 or Cell: 246-243-1499.

¶3. The exchange rate for Antigua is approximately 2.70 xcd (Eastern Caribbean) dollars for 1.00 U.S. dollar. U.S. currency, traveler's checks, and credit cards are routinely and widely accepted here.

¶4. Entry requirements: A valid U.S. passport is required to enter Antigua. For further information, travelers may contact the Embassy of Antigua and Barbuda, 3216 New Mexico Avenue, N.W., Washington, D.C. 20016, telephone (202) 362-5122.

¶5. Departure tax for Antigua is \$50.00 xcd (Eastern Caribbean) dollars or \$19.00 U.S. dollars.

¶6. The following is general information pertaining to security and health considerations throughout the Eastern Caribbean:

Security

In the Eastern Caribbean, foot travel outside of well-established tourist areas is not generally recommended, especially at night. Be vigilant when using public telephones or ATM machines near roadsides or quiet areas. As in many U.S. metropolitan areas, wearing expensive jewelry, carrying expensive objects, or carrying large amounts of cash should be avoided. Visitors should also safeguard valuables while at the beach. While hotels are generally safe, many visitors have experienced loss of unattended items. Hotel burglaries are not uncommon and all valuables should be locked in room safes if possible.

Health Information

Throughout the Eastern Caribbean, the most likely threat to a visitor's health is sunburn. It takes several weeks to become accustomed to the heat and humidity. Prolonged exposure to the sun, without protection, causes sunburn and may ultimately result in sun-damaged skin or even skin cancer. Sunscreens

should be used for protection. In Barbados, St. Lucia, and St. Vincent the major health threat is dengue fever, transmitted by mosquito. Dengue cases are most often seen in the summer months. Persons should therefore protect themselves with insect repellent. There is also a growing number of HIV/AIDS cases reported. The Eastern Caribbean enjoys clean and safe drinking water. Only routine boosters for immunizations (i.e. tetanus, diphtheria, and oral polio vaccine) are required when traveling to this region. Barbados has the best medical facilities of all the islands in the region and most of the medical specialties have practitioners here.
